Docket No. 05-0018
Decision and Order No. 21744

DECISION AND ORDER

The commission approves CORAL WIRELESS, LLC's ("Applicant") request for a certificate of registration ("COR") to provide commercial mobile radio services (aka, CMRS or intrastate wireless telecommunications services) in the State of Hawaii ("State" or "Hawaii").¹

I.

Introduction

By its Amended Application, Applicant requests a COR to provide CMRS or intrastate wireless telecommunications services in the State. Two (2) copies of the Amended Application were served on the DEPARTMENT OF COMMERCE AND CONSUMER AFFAIRS, DIVISION OF CONSUMER ADVOCACY ("Consumer Advocate"). On March 7, 2005, the Consumer Advocate submitted its Statement of Position informing the

¹Applicant's application, filed on January 26, 2005, and amended on February 14, 2005 ("Amended Application").

commission that it does not object to the approval of the Amended Application, subject to a recommendation, discussed below.

II.

Description of Applicant and its Proposed Services

Applicant is a Delaware limited liability company with its principal place of business in Honolulu, Hawaii. Applicant intends to provide intrastate wireless telecommunications services in the State. Specifically, Applicant intends to provide voice and data telecommunications via digital transmission on the island of Oahu and the surrounding off-shore areas.

III.

Discussion

In 2004, the commission waived numerous regulatory requirements set forth in Hawaii Revised Statutes ("HRS") Chapter 269 and Hawaii Administrative Rules ("HAR") Chapter 6-80, pursuant to HRS § 269-16.9(e) and HAR § 6-80-135, for any and all CMRS providers in Hawaii, subject to certain conditions, limitations and clarification.² Specifically, Decision and Order No. 20890, as amended, streamlined the application process for a COR to the extent that "the CMRS provider will not be

²Decision and Order No. 20890, filed on April 7, 2004, in Docket No. 03-0186, ("Decision and Order No. 20890") as amended by Order No. 21324, filed on August 27, 2004, in Docket No. 03-0186 ("Order No. 21324")(collectively, "Decision and Order No. 20890, as amended").

required to provide the information required in HAR §§ 6-80-17(c)(1)(C) and (D)" in its application.³

In its Statement of Position, the Consumer Advocate asserts that Applicant did not fully comply with the Application for COR requirements, particularly HAR §§ 6-80-17(c)(1)(C) and (D), which requires certain types of information in the Application. As such, the Consumer Advocate recommends that Applicant be required to file the following information: (1) A description of the type of equipment Applicant will utilize for the proposed service, pursuant to HAR § 6-80-17(c)(1)(D); and (2) A copy of its tariff setting forth the rates or charges proposed to be imposed and the regulations that will govern the proposed service, pursuant to HAR § 6-80-17(c)(1)(E). On March 15, 2005, Applicant filed its response to the Consumer Advocate's Statement of Position, in which it asserts that "neither piece of information sought by the Consumer Advocate is any longer required to be filed prior to [Applicant] being issued a COR."

Upon review, we agree with Applicant that in light of Decision and Order No. 20890, as amended, an application for a COR by a CMRS provider does not have to include the information sought by the Consumer Advocate. For these reasons, we do not concur with the Consumer Advocate's recommendation.

The record indicates that Applicant has fulfilled the requirements of HAR § 6-80-17(d), to the extent such requirements were not waived in accordance with Decision and Order No. 20890, as

³Order No. 21324 at 4.

amended. Consistent with Decision and Order No. 20890, as amended, the commission also finds, at this juncture, that affording sufficient and appropriate regulatory flexibility to the wireless industry, including wireless resellers, will assist in increasing competition and promoting investment in the wireless telecommunications market in Hawaii. For these reasons, the commission concludes that Applicant should be granted a COR to provide intrastate wireless telecommunications services in the State.

IV.

Orders

THE COMMISSION ORDERS:

1. Applicant is granted a COR as a CMRS provider to provide intrastate wireless telecommunications services in the State.

2. As a holder of a COR, Applicant shall be subject to all applicable provisions of HRS Chapter 269, HAR Chapters 6-80, 6-81, and 6-82, any other applicable State law and commission rules, and any orders that the commission may issue from time to time.

3. Consistent with Decision and Order No. 20890, as amended, Applicant is not required to file tariffs in accordance with HAR §§ 6-80-39 and 6-80-40, provided that Applicant maintains and promptly provides updated information regarding its service plans (with terms and conditions) and the appropriate contact information (i.e., designated carrier representative) upon the

commission's, the Consumer Advocate's or consumer's request. Such updated information shall also be placed within a reasonable time period on Applicant's website, if any.

4. Within thirty (30) days from the date of this decision and order, Applicant shall pay a public utility fee of \$60, pursuant to HRS § 269-30. The business check shall be made payable to the Hawaii Public Utilities Commission, and sent to the commission's office at 465 S. King Street #103, Honolulu, HI, 96813.

5. Within thirty (30) days from the date of this decision and order, Applicant shall also pay a telecommunications relay service ("TRS") contribution of \$10.00, established pursuant to: (A) Act 50, adopted on May 7, 2003 (codified at HRS § 269-16.6); and (B) Order No. 20149, filed on June 10, 2004, in Docket No. 04-0070. (A copy of Order No. 20149 is attached hereto as Exhibit 1.) The business check shall be made payable to "Hawaii TRS", and sent to the Hawaii TRS Administrator, NECA Services, Inc., 80 S. Jefferson Road, Whippany, NJ 07981. Written proof of payment shall be sent to the commission.

6. Failure to promptly comply with the requirements set forth in paragraphs 2 to 5 may constitute cause to void this decision and order, and may result in further regulatory action, as authorized by law.

DECISION AND ORDER

I.

Background

By Order No. 20904, filed on April 15, 2004, the commission initiated the instant proceeding to examine whether to modify the Telecommunications Relay Services ("TRS") carrier contribution factor and fund size for the period July 1, 2004 to June 30, 2005, established in accordance with Order No. 20193, filed on May 23, 2003, in Docket No. 03-0058 ("Order No. 20193").¹ Specifically, the commission proposes to modify the carrier contribution factor from 0.00375 to 0.0010 effective on July 1, 2004 ("Proposed Carrier Contribution Factor"). The proposed carrier contribution factor of 0.0010 is expected to remain in effect through June 30, 2005.

¹In Docket No. 03-0058, the commission selected SPRINT COMMUNICATIONS CO., LP. ("Sprint") as the exclusive provider of intrastate TRS within the State of Hawaii ("State of Hawaii") from July 1, 2003 to June 30, 2006. See Decision and Order No. 20163, filed on April 30 2003. Order No. 20193, filed on May 23, 2003, in Docket No. 03-0058.

The commission also proposes to keep the projected TRS fund size, as of July 1, 2004, at \$680,000 ("Proposed TRS Fund Size").

The commission served copies of Order No. 20904 on The Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate") and Sprint, the parties to this proceeding, and mailed copies of Order No. 20904 to all chartered, certificated and registered telecommunications carriers, except payphone providers, at their mailing addresses on file with the commission. Written comments to the proposals were accepted until May 14, 2004. As of the date of this order, only the Consumer Advocate filed written comments on the commission's proposals.²

II.

Background

On May 23, 2003, the commission issued Order No. 20193, in Docket No. 03-0058 which, among other things, ordered: (1) every telecommunications carrier providing intrastate telecommunications service in the State of Hawaii to contract with Sprint for the provision of telecommunications relay service, for the period beginning July 1, 2003 to June 30, 2006; (2) every carrier providing intrastate telecommunications service in Hawaii shall contribute to the TRS fund on the basis of gross operating revenues from the retail provision of intrastate telecommunications services during the preceding calendar year,

²Consumer Advocate's Statement of Position, filed on May 7, 2004.

consistent with the terms of Order No. 20193³; (3) contributors' contribution to the TRS fund shall be the product of their gross operating revenue from the retail provision of intrastate telecommunications services during the preceding calendar year, which is subject to investigation by the commission, and a contribution factor determined annually by the commission, consistent with the terms of Order No. 20193; and (4) the annual TRS funding period commences July 1 and ends June 30 of each year.

III.

Discussion

A.

Consumer Advocate's Statement of Position

The Consumer Advocate states that it has no objections to the Commission's proposed carrier contribution factor and the fund size. However, in order to monitor the sufficiency of the fund size and protect against degradation of service, the Consumer Advocate recommends that Sprint should be required to provide TRS reports on a quarterly basis so that the commission may be better and more quickly able to determine whether changes to the contribution factor are warranted. Specifically, the Consumer Advocate recommends that the reports contain: (1) actual number of TRS calls offered by month; (2) actual number of abandoned calls by month; (3) average speed of answer

³The commission specifically excluded payphone providers from contributing to the TRS fund.

in seconds of TRS calls by month; (4) average work time in seconds by month; (5) number of TRS complaints filed either verbally or in writing by month; and (6) detailed data on actual revenues, expenses and investments for TRS services in Hawaii.

B.

Reporting Requirements

Upon review, the commission declines to adopt the Consumer Advocate's recommendation relating to additional reporting requirements primarily because we find these requirements are unnecessary and redundant.

Pursuant to the terms and conditions of the Request for Service ("RFS") in Docket No. 03-0058, which governs the commission's arrangement with Sprint for the provisioning of TRS, Sprint is required to submit the following reports:

- a. Section 4.5 (Payment): "No more than fifteen days after the close of each month, the service provider will submit a report [i.e., billing statement] to the Commission detailing the previous month's work. Then, the Commission, within thirty (30) days of receipt of said report, will authorize or determine a date the provider is authorized to withdraw payment from the TRS account or fund. Total reimbursement shall not exceed the total fixed bid per minute price."
- b. Section 4.13 (Reports): "[A] monthly report with the monthly billing statement which will enable the Commission to monitor whether the Relay service is meeting each of the FCC and State performance standards. The report shall also include summary information on complaints, when appropriate. When applicable, the monthly report should include information on any hardware procedural or service enhancements made to the Relay service. After receiving authorization from the Commission, the selected service provider may request designation of certain written reports as proprietary, consistent with the Commission's practice and procedures."

In compliance with Section 4.5 of the RFS, NECA Services, Inc. ("NECA") files on a monthly basis: (1) a Statement of Fund Performance; and (2) a Delinquent Report. The information includes total fund revenues collected from telecommunications carriers, disbursements to Sprint as authorized by the commission, fund balance as of the end of the previous month, and delinquent carriers that have not paid their TRS fund contributions.

Furthermore, in compliance with Section 4.13 of the RFS, Sprint provides comprehensive, detailed information on minutes of use; traffic reporting statistics, including number of calls offered and abandoned, average speed of answer, and average work time; speech-to-speech statistics; and CapTel results. The billing statement also includes summary reporting of customer complaints and outreach efforts.

The commission notes that the Consumer Advocate has not been copied on any of these reports previously filed with the commission and we hereinafter will require Sprint to copy the Consumer Advocate on these reports going forward. Sprint's existing reports contain much of the information the Consumer Advocate appears to be seeking. The only type of information not included in Sprint's reports is specific investment information, however, we do not believe that that information needs to be included in the compliance reports.⁴

⁴As Sprint has already been doing, it should continue to keep the commission informed, and seek our approval as appropriate, on new investments it plans to make to its network or operations that are expected to impact TRS in Hawaii. Sprint should also keep the Consumer Advocate informed of these new investments.

C.

Carrier Contribution Factor and Fund Size

Upon further review, the commission finds it reasonable to adopt the commission's proposals to modify the existing carrier contribution factor and fund size in their entirety as stated in Order No. 20904. In particular, the carrier contribution factor for the period July 1, 2004 to June 30, 2005 is 0.0010 and the projected TRS fund size as of July 1, 2004 will be established at \$680,000.

III.

Orders

THE COMMISSION ORDERS:

1. The commission's proposed modifications to the existing contribution factors and fund size, as stated in Order No. 20904, is adopted in their entirety.

2. The contribution factor for the period July 1, 2004 to June 30, 2005 is 0.0010. The projected TRS fund size as of July 1, 2004 is \$680,000.

3. Each carrier shall complete and submit a TRS Reporting Worksheet, attached to this Order as Exhibit "A".

4. Annual contributions are due July 26th; carriers who owe contributions \$1,200 or more may pay in twelve equal monthly installments, due on the 26th of each month, provided that they submit their TRS Reporting Worksheet by July 26th.

5. For carriers reporting \$10,000 or less in gross intrastate retail revenues, they shall contribute at least \$10.00 for the period July 1, 2004 to June 30, 2005.

6. Every carrier, except Commercial Mobile Radio Service ("CMRS") providers, shall comply with the 30-day notice requirement of HRS § 269-16(b) and HAR § 6-80-40(b) for any TRS surcharge imposed on its customers, both residential and business, to recover the amount of its contribution. CMRS providers shall place information on their TRS surcharges on their websites, consistent with Decision and Order No. 20890, filed on April 7, 2004, in Docket No. 02-0186.

7. Sprint shall copy the Consumer Advocate on the following reports to the commission: (1) Statement of Fund Performance; (2) Delinquent Report; and (3) TRS Performance Information and Statistics.

8. Order No. 20193, filed on May 23, 2003, in Docket No. 03-0058, is amended consistent with the terms and conditions of this decision and order. In all other respects, Order No. 20193 remains unchanged.
